

11th UK CARE Annual General Meeting

24th September 2011 • Saturday • University of Reading

1st Announcement: Call for papers

1. UK CARE and the AGM

The UK Chinese Association of Resources and Environment (a.k.a. UK CARE), founded in 2000, is a UK based academic organisation aiming at providing a high-quality International technical and information forum between China and UK in the areas of resources and environment, sustainable development, air and water quality and renewable energy. It seeks to promote the communication, collaboration, and consensus building among the Chinese and British research institutes and individuals for professional development and projects. More detailed information can be found on the official website of UK CARE at <http://www.care-uk.org>

2. The Themes of AGM 2011

Sustainable Urban Development Focused on Ecological Issues

Relevant topics include, but are not restricted to:

- Water management and drought mitigation
- Climate change impact
- Mitigation and adaptation strategies
- Post-disaster support and redevelopment
- Environmental monitoring and analysis
- Low carbon design and planning
- Waste management and recycling
- Pollution remediation and noise control
- Urban mobility and traffic management
- Sustainable development and the built environment

3. Venue and time

Venue:

URS Building, Whightknights Campus, University of Reading, Reading, RG6 6AW

More travelling information please visit at:

<http://www.reading.ac.uk/about/find/about-findindex.aspx>

Time:

11:00 am to 17:30 pm, Saturday 24th September 2011

4. Form of the AGM

Oral presentation, Poster presentation and workshop

5. Lunch and Refreshment

A Chinese style working lunch and refreshment will be provided to all registered attendees free of charge.

6. Travel subsidy

Limited funding will be made available to subsidize attendees' travel expenditure up to £50 per person. Those who are going to make an oral presentation in the AGM will be given a priority to reimburse their travel expenses. All other registered attendees may be able to get a part reimbursement of their travel cost depending on the amount of fund remaining and the number of applicants. The subsidy will be provided in the balance of equity and practical needs. UK CARE has the final decision on the subsidy scheme.

7. Registration, submission and proceedings

This is a free event and every individual who is interested is welcome to attend. The AGM language is English or Chinese.

If you are interested in attending this AGM and/or giving an oral or poster presentation, please register with the organizing committee by sending your personal information (including name, position, affiliation and correspondence details) and/or a paper abstract (less than 300 words) to: UKCAREAGM2011@gmail.com no later than Monday 22nd August 2011. Invitation will be sent to registered attendees by 31st August 2011 with more detailed venue information and travel guidance. Full paper shall be submitted by 15th October 2011 (3 weeks after the meeting).

AGM Proceedings will be published on an ISBN labelled CD ROM. Titles and abstracts of submitted articles will also be published on the UK CARE website.
